Yearly manpower to support CB operations(manyyears):_____

Please attach resumes for the proposed Director and Secretary of the CB and a detailed technical proposal indicating the manner in which this organization will carry out the tasks of the ILRS Central Bureau as outlined in Section 2.5 of the ILRS Terms of Reference. The proposal should address: (1) where and how key CB functions will be performed; (2) the manner in which the CB will utilize the resources within other elements of the ILRS (Stations and Subnetworks, Operations Centers, Data Centers, Analysis Centers) and the ILRS Governing Board/Working Groups in carrying out its management and coordinating activities; (3) adequacy of computing and communications capabilities; (4) qualifications of the primary and supporting organizations and key CB personnel, and (5) any additional services to be provided which are not covered in the Terms of Reference. Self-funded supporting organizations (if any) must also sign the proposal. Supporting organizations funded by the primary organization are not required to sign the proposal.
